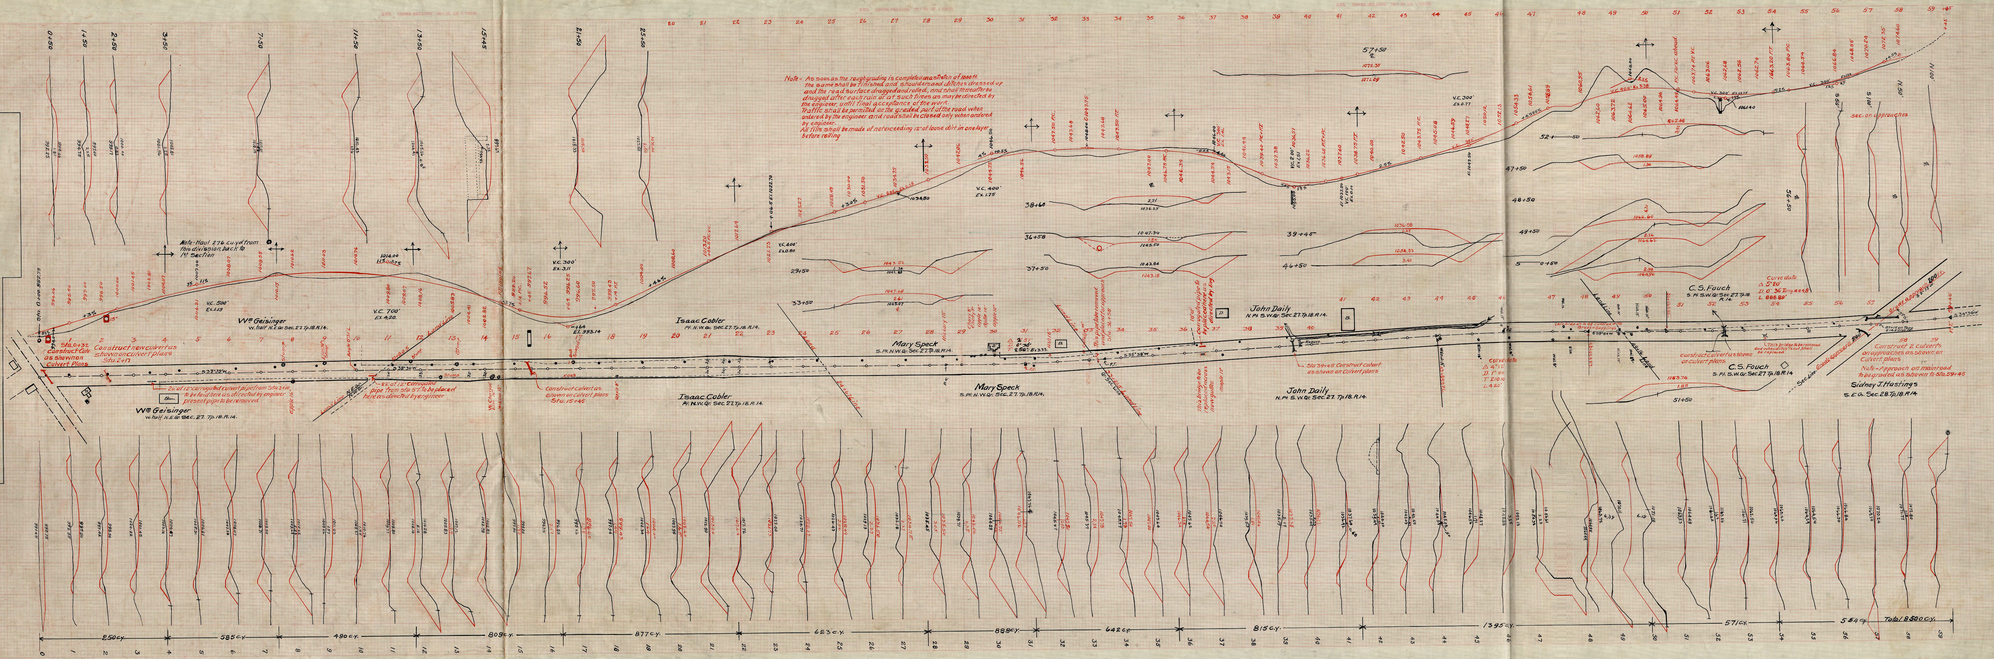
Signed John Rowsey
J. J. Rowsey
County Commissioners

SEC. 5 NEWARK-WOOSTER ROAD
COUNTY ROAD NO. 3 PET. NO. 1
RIPLEY TWP. JAN. 1919



Note - As soon as the rough grading is completed and after a sufficient time has elapsed to allow the settlement of the fill, the road surface should be finished and shaped and after a sufficient time has elapsed after each run of cut, such surface should be shaped, the fill slope dressed and the ditches cleaned out.
The fill slope should be dressed to the graded surface of the road when covered by the engineer, and road should be closed only when ordered by engineer.
All fills should be made of cut exceeding 12" of loose dirt or gravel before rolling
Note - Approach on Macadamized Roads to be Macadamized
Sec. on approaches
