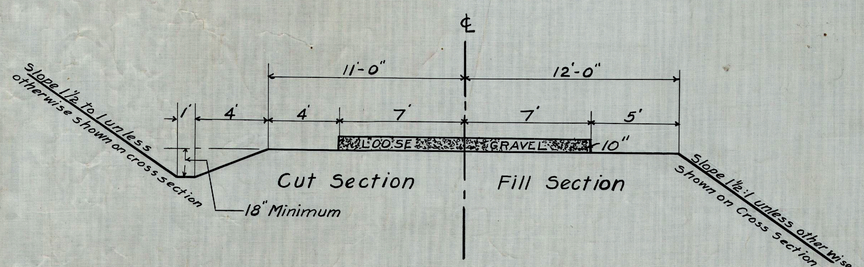
HOLMES COUNTY
DIVISION OF CONSTRUCTION
KILLBUCK-COSHOCTON
SECTION-A ROAD NO 343
KILLBUCK TOWNSHIP

S.R. 60



TYPICAL CROSS SECTION
UNLESS
OTHERWISE SHOWN ON CROSS SECTION SHEETS

Gravel shall be spread uniformly to thickness shown by staking forms on the sides and using a strike-off or by using an adjustable spreader box. The contractor shall keep the placed gravel dragged until all the gravel has been placed.

Cross Sections	" " 8-23
Culverts and Bridges	" " 24-29
Summary of Quantities	30

The Standard Specifications of the State of Ohio, Division of Highways, in force on August 25, 1925, will govern this improvement unless otherwise shown.

I hereby approve the plans and declare that the making of the improvement will not require the closing to traffic of the Highway.

Approved July 5-1927
Karl Snyder
County Surveyor.

We, the Commissioners of Holmes County hereby approve the plans and certify that the Right of Way 60' Wide is available for the construction, maintenance and repair of the above highway.

Approved. July 5-1927
