This was 20 ac., but the Highway relocation changed it to 18.94.

The .50 ac exception is probably not supposed to come out of this tract as stated in the deeds. See Survey by J.V. Gute in Sec 9 dated Sept. 1986.

Quit claim deed, 239-924, relocates this parcel into section 9. Therefore, the .5 ac will be added back into this parcel, and taken out of a parcel in Sec. 9.
