original .28 ac

SEE NEXT CARD

On 12/29/78 Virgil Shreiner recorded a new survey which was to have included the entire tract as described in D.V. 145/347. This new survey is recorded in plat vol. 6/144. However, the original tract of .28 ac went to the old road and the new survey only goes to the new road, therefore this card reflects the tiny piece of land which remains out of the .28 ac. piece.
