A Sheriff's deed was recorded for transfer of lands owned by October Hill Camplot, Ltd in Deed Vol. 208 Page 664 on 2/11/1980. The legal description does not specifically list this lot, however the acreage description for the land in which Phase III is located was contained in the deed without excepting Phase III. It is not specifically stated if Lots within Phase III are included even when not specifically mentioned. Other lots within Phase I and Phase II are listed by number.

Research of the Treasurer's Tax List shows that Some Lots in Phase III were transferred to Nationwide Real Estate Services Inc (including this lot) when the Sheriff's deed was recorded.
