- 4.66 Phase II  
59.10 ac

The plat for Phase <sup>III</sup> indicates the entire phase has 61.0 ac.  
The auditor's office transferred only 30.3 out of this parcel and 3.40 ac out of Section 20, therefore it is highly probable that the acreage balance on this card includes acreage for the reserve areas shown on the plat for Phase III. More than likely, the 30.3 acre figure represents only the land in lots.
