

I believe Nettie Klingler is the same person as Jeanette Klingler Brown Ruble. Evidence supports this conclusion as the C.T. (178-6) refers to children of Jeanette being the same as the children of Lawrence Klingler (115-416) who was the husband of Nettie Klingler. Also, the interest conveyed on C.T. from Jeanette Brown (178-6) to her children is the same as was conveyed to Nettie Klingler (115-416).

Raymond A Klingler deceased 7/8/68 and a C.T. was filed (172-168), however, this parcel was not included on the C.T. to his wife. (Raymond's wife signed a R/W along with Jeanette Brown 142-51).

178-6 1/3 int to: Theodore A. Klingler 1/4 of $\frac{1}{3} = \frac{1}{2}$
Ruth E. Hamm 1/4 of $\frac{1}{3} = \frac{1}{2}$
Bernard W. Klingler 4/4 of $\frac{1}{3} = \frac{1}{2}$
Jack Klingler 4/12 of $\frac{1}{3} = \frac{1}{36}$
Michael Klingler 4/12 of $\frac{1}{3} = \frac{1}{36}$
Cathy Klingler 4/12 of $\frac{1}{3} = \frac{1}{36}$

***Raymond's heirs?

From Jeanette K. Brown
aka Jeanette Klingler Brown
Ruble
(possibly aka Nettie Klingler)

Theodore = $\frac{1}{6} = \frac{1}{12} = \frac{1}{4}$
Ruth = $\frac{1}{6} + \frac{1}{12} = \frac{1}{4}$
Bernard = $\frac{1}{6} + \frac{1}{12} = \frac{1}{4}$
Raymond = $\frac{1}{6}$
Jack = $\frac{1}{36}$
Michael = $\frac{1}{36}$
Cathy = $\frac{1}{36}$
