original description called for an 18' strip to be 81 perches long (1336.5 feet). this strip did not touch the public road. when the new survey was done in plat 6, pg. 170, the strip was extended to the county road. can not find a deed where the extra 55 feet was ever deeded to Troyer's from Mullet who is the adjoining owner. There fore this desc. overlaps Mullet's.
