<i>swpt</i>						OUTSALE Patterson, Otis <i>R-25A</i> GRANTEE 22-00190.000	VOL.	PG.	VOL.	PG.	
						Village of Glenmont	114	424	113	587	10-19 1944
						This part of Lot 73 was never owned by Otis Patterson according to deed 113/587. However, when the deed was transferred to Patterson, the auditor transferred the entire lot to him. From that point on, Patterson sold this piece to the Village of Glenmont and then sold the balance of his property to Robert Spitler on deed 137/543. Robert Spitler then sold off a split to John Barnes on deed 141/598, which also covers part of 12.5' strip (Plat 3/79).					
						I am not sure that the village of Glenmont actually owns this piece in view of the fact that Otis Patterson possibly did not have ownership in order to sell it. SEE CARDS FOR LOT 73 <i>NW</i> and LOT 73 <i>mid pt</i>
