

I.D. Cline deceased 9/18/1919 per case 2689, Probate Court, Holmes County. Will record 56-145, Docket 2-173 see Deeds 114-463 and 114-464.

On 8/29/1928 the heirs of I.D. Cline transferred this  $\frac{1}{2}$  acre tract to Mary E. Cline by Q.C. Deed 97-339.

This is the only deed recorded since the original outsale to Ettia Prince which lists this parcel. I.D. Cline's estate was later filed with Probate court and this .50 tract was not listed on the inventory and did not appear on the deed to the heirs (114-462) or on the deeds from the heirs to Mary E. Cline (114-463, 114-464) when the estate was settled. But the heirs had previously Q.C. to Mary this parcel as stated above.

The auditor's duplicate shows a transfer (from Mary E. Cline to Guy C. & Evelyn Norris on 11/1/44) of this parcel, but the deed recorded (114-465) does not have this description therefore, Marg E. Cline is the last deed owner for the .50 ac. tract.

NOTE: Deeds can be found in the recorder's office as listed below, however, these transfers do not appear on the Auditor's duplicate.
