

Gibson McCeran of lawful age who was qualified according to law & then testified as follows: That twenty five or twenty six years ago he saw a notch on an oak tree (of which one of the stumps was the remainder) & North east from the tree about 18 links there was a stake driven in the ground facing the north & said stake was claimed to be the original corner - we then dug & found the stake hole at the spot where McCeran pointed out. Being satisfied that all was right I established the corner at that point.
