Miller, etal, Deed Vol 127:274. as used. Corner at Northeast Cor of section was replaced with 11/2 iron pipe under personal See Below for furthernotes direction of John L. Schlabach, last living survivor of group of four land owners who replaced stone corner, many years ago. Schlabach had made extensive excavations to recover this stone corner, but is convinced that it is lost. He made notes as to the location of said stone, and as a part of this survey, the corner was replaced and full references made of same. This point was proved in by reconstruction of previous survey made when stone was in position. The point was proved to be correct and in agreement with Schlabach 's instructions. Signed: Walland Lands Registered Professional Surveyor #4425
