## **Questionnaire for Foreclosure Cases**

This form should be completed if you would like your case evaluated to determine if it is appropriate for mediation.

Mediation is a voluntary process through which you, as the debtor, and the creditor can determine if any agreement can be reached to cure any defaults in the loan and re-negotiate the terms of the loan in a manner that could allow you to remain in your property or other terms as a agreed by the parties. The Court will provide a mediator who facilitates the mediation process. The mediator will not give legal advice to either party. You are therefore urged, but not required to retain an attorney to represent you and to provide you with legal advice.
