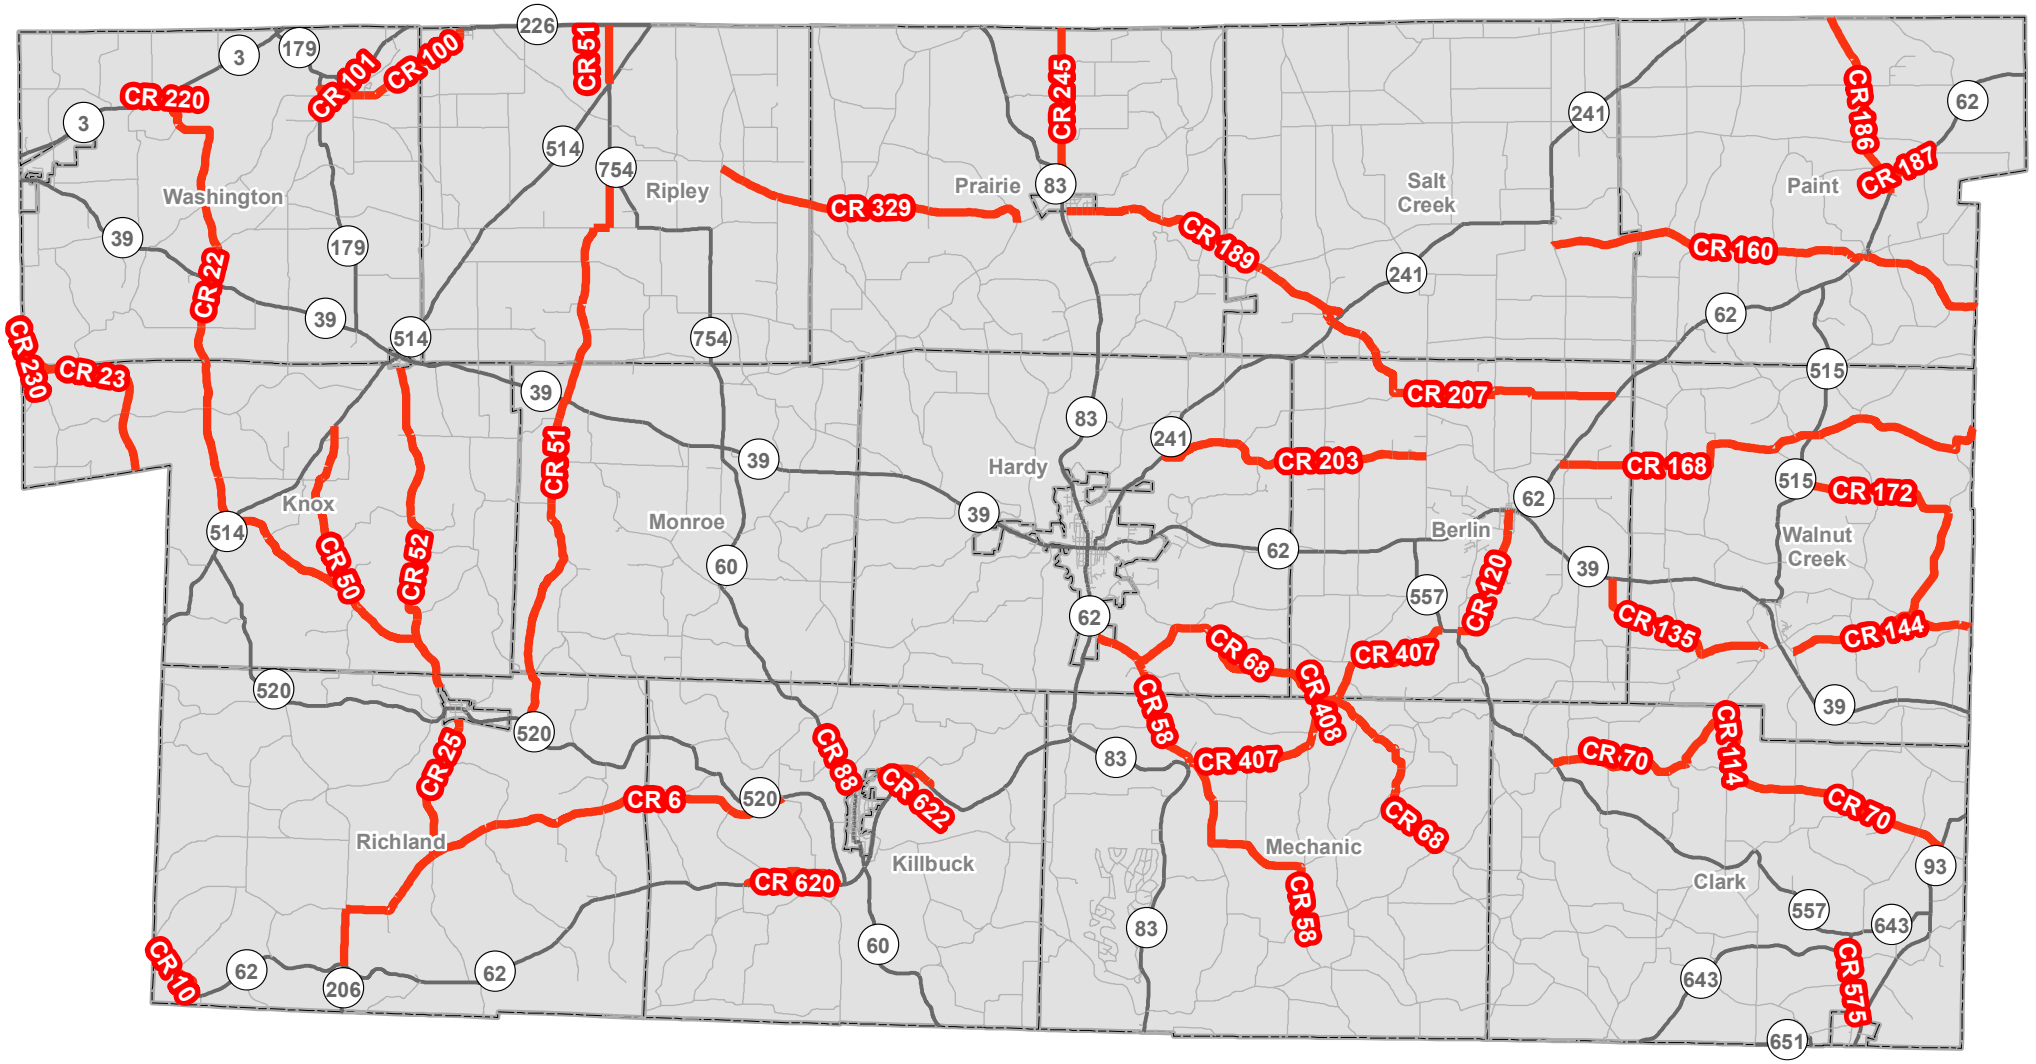
HOLMES COUNTY

1/4 % Sales Tax (If Approved by Voters in 2016)

5 Year Resurfacing Plan (2017 - 2021)

129 miles of road = $8,410,000 estimated cost



** Resurfacing consists of any combination of road reconstruction, repaving with asphalt, and chip and seal. All efforts will be made to reconstruct and repave with asphalt, however asphalt costs and road conditions will ultimately dictate how each road is resurfaced.
