Clyde C. Miller, Treasurer

Gentlemen:

This will notify you that our Company no longer own any property at Lakeville, Ohio, having disposed of our ice-houses, dwellings and stables, tools and machinery. The icehouses and machinery were sold to Clarence Connor of Big Prairie, Ohio, and the dwellings and stables to Mrs. John Rush, Jr. Therefore, kindly take notice that we have no property for assessment at that point for the year of 1924, having disposed of same, in April last. However, we are the owners of 40 acres of water, more or less, located in Holmes County, but not counted with the above holdings. We would like you, however, to furnish us a statement of the taxes on this 40 acres of water for the year of 1924, eliminating the other taxes, as we have disposed of all other holdings and real estate that we occupied there.

Respectfully,

CONSOLIDATED ICE COMPANY

T. A. Dunn
