(Amended Substitute House Bill No. 754)

AN ACT

To amend section 3323.02 of the Revised Code to provide for the development of special education programs for academically gifted children.

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That section 3323.02 of the Revised Code be amended to read as follows:

Sec. 3323.02. The state board of education shall select competent persons to inspect at least once a year all classes and to direct and supervise such other services established under section 3323.01 of the Revised Code, and to report concerning the instruction in such classes, the conditions under which they are maintained, the conditions under which any persons enrolled in such classes are boarded, and the extent and nature of all other services related to education affecting physically and mentally handicapped persons.

The state board of education shall prescribe standard requirements for day schools for the deaf, blind, crippled, and slow learners, and for other instruction and services for all types of handicapped persons included under section 3323.01 of the Revised Code, and for which persons any school district is entitled to state reimbursement, or aid. Such requirements shall include the conditions under which such schools are conducted, or services are rendered, the methods of instruction, child study, counseling, adjustment, and supervision, the qualifications of teachers and the personnel in charge of child study and counseling, the conditions and terms under which they are employed, the special equipment and agencies for instruction provided, and the conditions of the rooms and buildings in which the schools are held. For the purpose of encouraging the development of special programs of education for academically gifted children the state board of education shall employ competent persons to analyze and publish data, promote the training of teachers in the special instruction of gifted children. The state board of education may provide financial assistance out of any funds appropriated for this purpose to boards of education for developing and conducting experimental programs of education for academically gifted children.
