Henry C Lytle, Charles M'Cllelland & Emanuel
M'Cllelland first being duly sworn say: That
the points surveyed by H. H. Robinson, County
Surveyor of Holmes County Ohio in the survey made
for Gamble & Graham in which Frederick Thurot
& wife are interested, being in Section 36 T. 14. R. 13
are the points of low water mark in August 1869
as near as we can recollect. (That is: the points
on the north side, along Satter creek, of Frederick Thurot
& wife's two acre piece, signed)

May 28th 1870.

Charles M'Cllelland
H. C. Lytle
Emanuel M'Cllelland

Sworn & subscribed before me, County Surveyor
in and for Holmes County Ohio
this 28th day of May 1870.

H. H. Robinson
County Surveyor
