This Survey made for Jonathan Finney and does not close right. The 22 3/100 a piece appears to be too short in the lines for the quantity sold, it is an old survey.

15.19.15. June 6 1834. Surveyed Sec 15  
T 19. R 15. as follows.

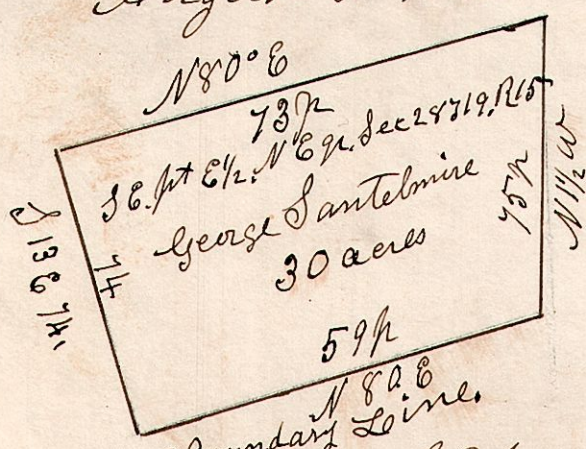

15.19.11.

Surveyed the above November 26 1826, being Section No 11. in Township 19 of Range 15. of which the following is a correct plat.

15.19.28. August 31 1841.

August 31 1841. I bounded S.E. part of the East half of the north east quarter of Section 28. in T 19. R 15. The above notes include about 1/3 of an acre too much, but it being very, very bushy it could not be changed cherry acemates.
