

Note: I Disagree With The Location Of The Greenville Treaty Line As Defined In Plat Vol 6 Pg 73. I Am Using The Westernmost Post In The Fence Beginning At The N.W. Cor. Lot 6 And Running East And The Fence Corner At The Northeast Corner Of Lot 6. This Line Projects East Much Better. Also I Believe The Line Belongs In The Center Of Aband. T.R. 261 Along The N. Line Of Lot 15 Rather Than On The South Fence As Currently Pinned.
