CERTIFICATION

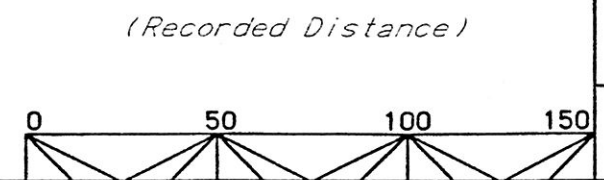

This is to certify that this plat is based upon an in-the-field survey conducted under my supervision.

G.W. Stewart R.S. 6357

Mr. Yoders North line is the 1/2 Section line. His Northeast corner pin is supposed to be on the 1/2 Section line, but is in fact 2.44' South of this line. The Sliver as defined by Mr. Yoder's Northeast corner pin, Northwest corner pin and the 1/2 Section line is still the property of his Grantor, which through subsequent transfers is now Carodene Co. The purpose of this transfer is to place Mr. Yoder's Northeast corner pin at the correct position on the 1/2 Section line and eliminate the ownership problem along his North line.
