

Co. Rd. 10

Appears to have been first a State Road and changed to County when US 62 was improved around Brinkhaven and into Holmes County. Reference in Rd. # 181 to a State Road located at the intersection of Co. Rd. 10 and Twp. Rd. 10 (old # 181).

Have not determined which State Road this would be.

A 60' R/W will be used on Co. Rd. 10 until better references have been located.
